MODULE DESCRIPTIONS

Managing Well-being and Mental Health Recovery

This module explores different views on well-being and recovery in mental health. We will discuss what and who can help with managing your well-being and mental health. This module also includes a personal account of recovery.

My Mental Health - Finding Meaning, Feeling Empowered

In this session we will examine what gives us a sense of meaning and purpose in our lives. We will reflect on what empowerment means and explore our understanding and experience of empowerment and disempowerment in mental health.

Let's Talk Depression

This module provides a space to discuss the impact of depression. We will explore practical tips that can be used when managing depression and reflect on the personal and individual nature of depression.

Family Recovery in Mental Health

During this session, we will discover the meaning of family recovery in mental health and what people can do to support themselves while supporting others. This module may be especially beneficial for family members, carers and supporters of a loved one who is experiencing mental health difficulties.

MODULE DESCRIPTIONS

Connection and Hope in Times of Isolation

This module explores the importance of maintaining connections and hope in times of isolation. We will discuss ways we can maintain connection and hope and experience a practical example of connecting with self through breathing.

Exploring Anxiety in Uncertain Times

This module examines your understanding of anxiety in uncertain times. We will discuss a range of topics including "is anxiety normal?" and "what causes anxiety?". This session also includes a number of practical ways to manage anxiety.

Managing Anxiety in Uncertain Times

In this session we will go in to further discussion around managing anxiety. We will also discover some tips and tools that you can put in to practice. This module provides you with an opportunity to explore what and who can help with managing anxiety.

Let's Talk Resilience

In this module we will discuss our understanding of what resilience means and why it is important for our mental health and well-being. We will discuss and experience personal tools and skills that can be applied in our lives now and in the future to be resilient people.

MODULE DESCRIPTIONS

Understanding Mental Health Services

This module explores the Mental Health Services, providing a broad understanding of its structures, function and staff; empowering learners to feel confident in accessing services and make recovery gains from using these services.

Accessing Mental Health Services - getting the Best from Virtual Appointments

This module provides key information and practical skills to enable learners to navigate changes in appointments/consultations within the mental health services brought about by Covid-19 restrictions. We explore how people can get the best out of virtual and phone appointments. We also look at Attend Anywhere, the app used by the HSE for virtual appointments.

Accessing Mental Health Services - getting the Best from Face to Face Appointments

Join us for our workshop when we will look at how we can safely attend and get the best from our Mental Health Services appointments. We explore the challenges faced by staff, service users and family members/carers and look at the ways in which service users safely access services while getting the best out of face to face appointments.

USEFUL INFORMATION

- It is free to attend our courses.
- Our courses are for anyone (aged 18 and over) with an interest in mental health and well-being.
- All of our modules are co-produced - this means that the topics are created by people with lived experience, service users, family members and service providers.

What do I need to do to attend a Mid West ARIES online course?

- To sign up email Margaret (details below) with the title of the module you want to attend or register on Eventbrite at <https://midwestaries.eventbrite.ie>
- You will need a computer, laptop or smart phone with internet connection, and a microphone.
- Once you have the link and password, sign in to join the session at least 5 minutes before the start time.

You are welcome to contact us for more information:
